## **Sully Sports and Social Club Car Boot Sale 2017**

The car boot sales take place (weather permitting) every Sunday morning during the Spring and Summer months at Sully Sports and Social Club's sports ground. The first sale this year is on Sunday 30th April. Entry till the end of August starts at 06.30am for sellers and for buyers the car boot sale opens at 07.30am. This year we are also putting on 2 Bank Holiday car boot sales on 1<sup>st</sup> May and 28<sup>th</sup> August plus some Saturday ones which will start a couple of hours later.

If you are a seller, please try and arrive early to set up your stall as we cater for over 500 vehicles. Refreshments, food and toilet facilities can be found on site. We ask all buyers and sellers to leave the sports field by 2.00pm. If you wish you can park in our main car park and enjoy refreshments in the social club's bar or why not try our scrumptious Sunday carvery served from midday till 4pm in the Wilton Lounge.

As our boot sales are weather dependent, if you're in any doubt its on before starting your journey please confirm by either visiting our Facebook page - [www.facebook.com/SullyCarBootSale](http://www.facebook.com/SullyCarBootSale), the Facebook feed on the car boot sale page on our website – [www.sullysportsclub.com/Sully-Car-Boot.html](http://www.sullysportsclub.com/Sully-Car-Boot.html), phone us 02920 108678 (week days and Saturday) or 07929 923485 (on day of car boot). We try to make a definite decision by midday on the Saturday but this is not always possible.

We hold a free draw for sellers in the clubhouse following the boot sale at 2.00pm prompt. You need to be in the club house and place your entry ticket in the box provided with your name and car registration number on the back for a chance of winning the £100.00 weekly prize.

The car boot sale has a strictly no dogs' policy (except for service and guide dogs). This policy is enforced by a dog warden and anyone on the club's grounds with a dog will be asked to leave imminently. It is also not permitted to leave your dog in your car on club premises.

We cannot allow rubbish or any unsold goods to remain on our sports fields and grounds. Please be sympathetic to our environment and clear up any waste, as firstly we are a sports club.

We work closely with the Police and Trading Standards. They will be notified of anyone selling counterfeit or illegal goods.
